

Welcome Home Group

(OEF/OIF/OND)

Let us help you learn about benefits.

Come participate in a group for transitioning veterans. We will learn about benefits and services (such as education, mental health, employment, service connection, financial resources).

Engage in conversation with other veterans who are also making the transition back to civilian life.

Every Thursday @ 15:00 (no appt. necessary)

Room: 9034-West (9th Floor)
