

Brooklyn Child Care, Inc.

Parent Permission for Emergency Procedure

I give permissions to BCCI to make whatever emergency (i.e. first aid, disaster, evacuation) measures are judged necessary for the care and protection of my child while under the supervision of the center.

In case of a medical emergency, I understand that my child will be transported to the nearest medical facility by the local emergency unit for treatment, if the local emergency resource (police, rescue squad) deems it necessary. The child will be transported at the expense of my insurance and BCCI as secondary. I understand that BCCI will not ask for my personal health insurance under any circumstances.

It is understood that in medical situation, the staff will need to contact the local emergency resource, before the parent, child's physician, and other adults that are acting on the parent's behalf.
