Mask Policy

While on VA Property all families must abide by our policy and wear a mask. At BCCI all staff will wear a mask and social distance from each other when possible. Children are not mandated to wear masks in their classroom.

Please fill out this form and return it to your teacher:

Check all that apply to your child:

Yes, I would like my child to wear a mask in school as much as possible except at lunch and rest time. I will label the mask (with my child's name) and provide the mask and a bag to store it during lunch and rest time.

No, I would not prefer my child to wear a mask during school time.

I know my child should wear a mask at drop off until the child gets to the classroom.

Child's Name _____

Parent's Name (print) _____

Signature _____

Date _____
